Mi-o-na.

"I was taken last August with a severe stomach trouble. The doctor said it was nervous dyspepsia. He gave me medicine for that. I took his treatment four weeks, didn't feel any better at the end of four weeks than I did when I commenced taking his medicine. I took everything I heard of. The first day of December, 1908, I got a box of Mi-o-na tablets. I took them that afternoon and the next day, haven't had one bit of pain in my stomach since the 2nd of December. I took five boxes. Feel well now, sleep good—that is something I haven't done for a number of years."—Mrs. M. E. Maxfield, R. F. D. 9, Avoca, N. Y., June 9, 1909.

MEMBERS

In Crittenden County May Begin Delivering Tobacco December 15th.

UNION COUNTY.

Union county members may begin delivering also Monday the 13th of December.

The Union county tobacco separated by notes and bounds to Galaher may be delivered at Corydon or Henderson. And members living in the bounds described need not come to headquarters with samples.

And Union county tobacco, outside of the bounds described may, beginning Monday, go to Morganfield, need for distributors' tickets. Union county now. The factory Uniontown will not be open for present. Due notice will be given of the opening of that factory.

WEBSTER COUNTY.

Deliveries to begin at Salsburg Monday, the 13th, to the Imperial Co. On the same day John Hodge will receive at Salsburg. On the same day the Gallaher Company will be ready for tobacco. Providence. But the Imperial Company will not be ready to receive Providence until the 27th of Dec.

And just here the committee meets me to say that while the Imperial will operate a factory at Nebo no Association tobacco will be delivered to that factory. The members, therefore, who live Hopkins county contiguous to Nebo will deliver their tobacco to the Imperial Company at Providence. That is the way the Hopkins county tobacco belonging to members contiguous to Nebo has been sold, therefore the Association will have no grades at Nebo. The truth is Imperial has set apart that factory wherein to handle tobacco from non-members in Hopkins county and around Providence. And it has been amicably arranged that the Imperial will, beginning the 27th, receive only Association tobacco. Providence. Good members in Providence and Nebo, I am sure will approve of this arrangement, thereby is friction, in so far as it is precluded.

CRITTENDEN COUNTY.

Members of Crittenden county may begin delivering to W. G. & Son at Marion on the 15th, continue until the 23rd instant after which no more tobacco will be received at Marion until January.

GRADERS ATTENTION.

All of the new graders recently pointed for Henderson county report at headquarters at 10 a. m. for instructions.

NO DELIVERIES SATURDAY

Throughout the approaching season of deliveries no tobacco will be received by any of the purchasers Saturdays, save only the left over tobacco from Fridays.

Secretary Thompson particularly requests that members deliver tobacco in the same name throughout the season. If that member begins John Smith, let him deliver whole crop as John Smith, and not John Smith and Jack Smith, J. C. Smith. By delivering in name a multiplicity of accounts be avoided.
